## Data Destruction Standards

Centrex Lifecycle Solutions securely wipe hard disks to internationally recognized standards. We utilise software from the USA that is compliant with HIPAA, the Gramm-Leach-Bliley Act, Sarbanes-Oxley Act, The Patriot Act, Identity Theft and Assumption Deterrence Act, and more. The software can also perform secure wiping to the standards of the Department of Defence DoD 5220.22-M, as well as those of UK HMG (CESG) Baseline and Enhanced, US Army, US Air Force, and more. On a day-to-day basis we perform wipes to UK CESG Baseline standard. Failed hard disks or disks with errors are shredded to CESG standards.
